The amount required for filing the suit is Rs 60 in this case and the Govt agent thinks that Ramiah might come to terms if he knows that he will be sued.

Under the above circumstances I think permission may be given to file a suit in this case.

As a result of the careful investigation that is being made by the Govt Agent, it becomes necessary to spend some money and to take steps for recovering lost lands. Our attempts may fail in some instances, but all the same, the

attempts have, in my humble opinion, to be made.

The cost involved in the present case is only Rs. 60/- and the expenditure may, it is submitted, be sanctioned.
